THE 3-STAGE DOCUMENT LAUNDERING & PLAGIARISM PIPELINE

Forensic Line-by-Line Cross-Reference: Jon Herold ('Patel Patriot', 2021) -> Derek Johnson's 'Blueprint' PDFs (OneDrive Archive, Dec 2022–Early 2023) -> Nick Alvear's 'The Greatest Show on Earth' (Good Lion TV, Sept 2023)

1. Executive Summary & Archived Primary Files in OneDrive

On October 19, 2026, an X account (@LindaSm31155341) that subsequently followed @TheGhostwToast posted a Rumble mirror link (https://rumble.com/v3i8vke-mirror-the-greatest-show-on-earth-based-on-the-work-of-derek-johnson.html) to Nick Alvear's September 2023 Good Lion TV film, The Greatest Show on Earth (2023) > Based On The Work Of Derek Johnson. Cross-referencing the film's 8 Acts and its Rumble description citations against the primary Derek Johnson 'thedocuments.info' PDFs archived in OneDrive and The Ghost's February–March 2023 Blueprint Review series proves a direct, three-stage intellectual property and document-laundering chain:

• **Stage 1 — Jon Herold ('Patel Patriot', June 2021 – July 2022):** Between June 2021 and July 2022, Jon Herold ('Patel Patriot') published his 25-part Devolution series on Substack/devolution.link, assembling a specific bundle of genuine federal continuity directives (FCD-1 & FCD-2), Executive Orders (EO 13848, EO 13912, EO 13919, EO 13961, EO 13963), U.S. Code sections (10 U.S.C. §§ 1209, 12304, 12406; 50 U.S.C. §§ 1621–1622), and DoD Law of War Manual chapters (Chapters 11 & 12) to claim Donald Trump secretly retained military command after January 20, 2021.

• **Stage 2 — Derek Johnson ('The Blueprint' PDFs, Dec 2022 – Early 2023):** In late 2022 and early 2023, Derek Johnson ('@rattletrap1776') lifted Herold's exact statutory bundle, chronological sequence, and core arguments without attribution, repackaging them on thedocuments.info as four primary PDFs archived in OneDrive (Outline of the Blueprint, The Short Outline of the Blueprint 12/31/2022, Military Occupancy 2016, and The 'Why's' in 2022 and 2023) alongside his plagiarized book The Midnight Rider Rides Again.Ironically, at the bottom of The Short Outline of the Blueprint (12/31/2022, p. 4, lines 141–142), Johnson complained: 'Should I include my birthdate and SSN too? Is that what it takes these days in the PodThief world?'—while lifting the entire statutory architecture from Herold.

• **Stage 3 — Nick Alvear ('The Greatest Show on Earth', Good Lion TV, Sept 2023):** In September 2023, filmmaker Nick Alvear (Good Lion TV) took Johnson's four PDFs and turned them word-for-word into the 8-Act documentary The Greatest Show on Earth (2023) > Based On The Work Of Derek Johnson—copy-pasting the exact document blocks and hyperlinked URLs from Johnson's PDFs directly into the film's Rumble show notes while packaging the film behind Good Lion TV subscription funnels and QFS/Trump-coin merch.

2. Master 3-Stage Verbatim Cross-Reference Matrix (Herold -> Johnson OneDrive PDFs -> Alvear Film)

The table below maps every major pillar and Act of Nick Alvear's September 2023 documentary back to the exact page and line numbers of Derek Johnson's OneDrive PDFs, alongside the original 2021–2022 Jon Herold ('Patel Patriot') Devolution installments from which Johnson lifted them and the statutory reality documented in The Ghost's Feb–Mar 2023 Blueprint Reviews.

Pillar / Statute & Nick Alvear Film Act (Sept 2023)	Stage 1: Jon Herold ('Patel Patriot') Devolution Series (2021–2022)	Stage 2: Derek Johnson's OneDrive 'Blueprint' PDFs (Verbatim Quotes & Line Citations)	Stage 3: Nick Alvear's 'Greatest Show on Earth' & The Ghost's Statutory Rebuttal (Feb–Mar 2023)
Pillar 1 (Act 1): **Organic Act of 1871, 'Federal Corporation' (28 U.S.C. § 3002(15)(A)) & Stoutenburgh v. Hennick**	Sovereign-Citizen / QAnon foundational lore merged by Herold with Devolution's thesis that the 'captured D.C. establishment' was bypassed by a military continuity operation to restore the constitutional republic.	Military Occupancy 2016.pdf (lines 49–68, 474–478): 'Then you must understand the United States of America became the United States Federal Corporation with the Organic Act of 1871… Stoutenburgh vs. Hennick… If you read on page 3 of the case above, you'll see the definition of the District of Columbia defined. And in 28 United States Code 3002, it defines the United State as a Federal Corporation… Two was President Trump as the Plug to dismantle the Federal Corporation.'	Alvear Film (Act 1 — 'The Corporation of the United States'): Opens with the exact claim that the Organic Act of 1871 and 28 U.S.C. § 3002 turned the U.S. into a 'Federal Corporation' and that Trump was plugged in by the military to bankrupt it. • The Ghost Rebuttal: 28 U.S.C. § 3002(15) is merely the definitions section of the Federal Debt Collection Procedures Act of 1990 (so the DOJ can sue to collect federal debts in court without sovereign-immunity hurdles), and the 1871 Act simply created a municipal government for Washington, D.C.
Pillar 2 (Act 2): **DoD Law of War Manual (June 12, 2015 / Dec 2016 Update), Trump Escalator (June 16, 2015) & Military Justice Act of 2016**	Devolution Part 9 ('The Military') & Part 13 ('Occupied Territory'): Herold introduced the June 2015 DoD Law of War Manual (specifically Chapter 11 on Military Occupation) and December 2016 DoD revisions as the legal framework for domestic military oversight of the executive branch.	Outline of the Blueprint.pdf (lines 559–570) & The Whys.pdf (lines 165–201): 'Law of War Manual is the Department of Defense War Manual. It was signed June 12, 2015. It's a combination of Military and Federal Lawyers who took the Lieber Code of 1863, Geneva Conventions, Hague Conventions, Nuremberg Trials, the Law of War Manuals from the United Kingdom, Canada, Germany, and Australia… DJT 2016 Candidacy Announcement. What are the odds of riding down escalator 4 days after the Law of War Manual was signed? Military Justice Act of 2016 was the Supreme Court clarifying Military Laws and Courts are SEPARATE from Civil Laws and Courts.'	Alvear Film (Act 2 — 'The Escalator & The Law of War'): Dramatizes Trump's June 16, 2015 escalator ride as occurring 'exactly 4 days after the June 12, 2015 Law of War Manual' and cites the Military Justice Act of 2016 in the Rumble notes. • The Ghost Rebuttal (Review #1, Feb 24, 2023, lines 43–55 & Article 4): DoD published the Law of War Manual in June 2015 after multi-year drafting for foreign armed conflict (jus in bello, Sec. 1.1.2 & 11.1.2.2). The MJA of 2016 was enacted by Congress in the FY2017 NDAA (Pub. L. 114-328)—not 'the Supreme Court'—to modernize internal UCMJ court-martial procedures.

Pillar 3 (Act 3): **COVID-19 as a Planned Attack (EO 13527, Stafford Act) & Ukraine Biolabs / Putin's 2018 Soccer Ball**	Devolution Part 12 & Part 15: Herold argued that COVID-19 was used as the catalyst to trigger wartime Continuity of Operations (COOP) authorities and expose Deep State networks globally.	Outline of the Blueprint.pdf (lines 63–78, 291–435) & The Whys.pdf (lines 1175–1242): 'WHAT are the ODDS that Obama signed an Executive Order in 2009 called: Establishing Federal Capability for the Timely Provision of Medical Countermeasures Following a Biological Attack... EO 13527... Covid was a biological chemical attack. It was going to be used with Hillary as President... Obama wrote 3 Executive Orders for Ukraine in 2014. VP Biden made 7 trips in 7 months to Ukraine in 2014... Ukraine breaks the CIS Treaty in 2018 with Russia. Putin hands soccer ball to CIC Trump in 2018. Russia does not participate in World Cup 2022... the soccer ball represents "The ball is in your Court Mr. President"... Victoria Nuland... testifying that there are Biochemical Labs in Ukraine.'	Alvear Film (Act 3 — 'The Scamdemic & Bioweapon Trap'): Repeats verbatim that EO 13527 (2009) proved COVID was planned for a Hillary presidency, that Trump 'stepped in and trapped these fools,' and that Putin handing Trump the 2018 Helsinki soccer ball was a secret military comm to bomb U.S.-funded Ukrainian biolabs. • The Ghost Rebuttal: EO 13527 was a routine post-anthrax postal preparedness order; Russia was banned from the 2022 FIFA World Cup after invading Ukraine, not as a secret 'comm' tied to a 2018 souvenir soccer ball.
Pillar 4 (Act 4): **Federal Continuity Directives 1 & 2 (Jan 17, 2017 & June 13, 2017), PPD-40, EO 13961 & GSA Form SF-2050 ('file:///C:/Users/notim/')**	Devolution Part 1, Part 3 ('Continuity of Government'), Part 4 & Part 13: Herold's entire 'Devolution' brand came from discovering FCD-1 (dated Jan 17, 2017, three days before Trump's inauguration) and highlighting Annex I ('Devolution') and Annex J ('Reconstitution'), along with FCD-2 (June 13, 2017), PPD-40, and EO 13961 / Federal Mission Resilience Strategy (Dec 7, 2020).	Outline of the Blueprint.pdf (lines 15–59, 126–142, 572–588) & The Whys.pdf (lines 202–300, 394–413): 'Federal Continuity Directive 1... Check out that date... January 17, 2017. Three days before he took office. Look at Annex I and J: 👉Devolution👀 👉Reconstitution👀 Now look at Federal Continuity Directive 2... June 13, 2017... Let's look at Section H alone: Page H-1: ANNEX H: HUMAN RESOURCES... DERG: Devolution Emergency Response Group... Click on the Source Link: DOE O 150.1B... Section J: 3. Organizations must comply with GSA's requirement for completion and submission of GSA Standard Form 2050 (SF-2050), Reconstitution Questionnaire... file:///C:/Users/notim/Downloads/SF2050-14a.pdf'	Alvear Film (Act 4 — 'Continuity of Government & The Blueprint'): Walks viewers through EO 12148, NSPD-51/HSPD-20, PPD-40, FCD-1 (Jan 17, 2017 Annex I & J), FCD-2 (June 13, 2017), and EO 13961 (Dec 7, 2020, 'Pearl Harbor Day'), pasting Johnson's exact FCD-1 and FCD-2 URLs in the Rumble description. • Forensic Smoking Gun in OneDrive PDF: On p. 9 (line 299) of The Whys.pdf, Johnson accidentally pasted a local Windows hard-drive path (`file:///C:/Users/notim/Downloads/SF2050-14a.pdf`). • The Ghost Rebuttal (Review #2.1, Feb 27, 2023, lines 36–49): Explains PPD-40, FEMA-302-094-1 (Jan 2021), and the Interagency Continuity Working Group (FEMA/GSA/OPM/NARA), proving no secret COG was ever triggered.
Pillar 5 (Act 5): **EO 13848 (Sept 12, 2018 Election**	Devolution Part 1, Part 4 & Part 7: Herold argued that EO 13848 (signed Sept 12,	Military Occupancy 2016.pdf (lines 2–9, 319–350, 537–570) & The Whys.pdf (lines 414–442,	Alvear Film (Act 5 — 'The Trap: EO 13848 & Federalizing the Guard'):

Interference), '9 National Emergencies' & Biden's Annual Extensions (50 U.S.C. §§ 1621–1622)	2018) created an election-interference trap before the 2018 midterms and 2020 election, and claimed that Biden's routine Sept 2021 continuation notice of EO 13848 proved the military operation was still active.	483–526, 705–856): 'How in the world did President Trump know to sign and pass Executive Order 13848 which he DECLARED a National Emergency and Election Fraud Committee TWO years before Covid and the Presidential Election in 2020? It was TWO months before the Midterm of November 2018… How come in that same Executive Order it specifically says: "although no foreign power has changed the outcome or voter tabulation in ANY United States Election…" Executive Order 13848 = Domestic… From 2017 to March 2020, DJT declared 9 National Emergencies, 7 in Executive Orders… "Biden" cannot terminate the National Emergencies because he didn't declare them. Now explain to me why "Biden" has extended EVERY single Executive Order where Donald John Trump declared a National Emergency?'	Presents EO 13848 and the 7 IEEPA sanctions EOs (EOs 13818, 13848, 13851, 13873, 13882, 13894, 13936) plus Biden's Federal Register continuation notices as 'irrefutable legal proof' that only Trump can terminate the emergencies he declared. • The Ghost Rebuttal (Review #1, Feb 24, 2023, lines 12–19 & Article 4): Under 50 U.S.C. § 1622(a)(2) and § 1622(d), ANY sitting President can terminate a prior national emergency by proclamation or let it expire after 1 year unless the sitting President publishes a continuation notice. Biden signed the annual continuation notices because he was the sitting President.
Pillar 6 (Act 5 & Act 6): EO 13912 (March 27, 2020),EO 13919 (April 30, 2020), 10 U.S.C. §§ 1209, 12304 & 12406 ('1 Million National Guard') & FDR's Dec 8, 1941 Pearl Harbor Speech	Devolution Part 8 & Addendum 5: Herold highlighted Trump's March 27, 2020 COVID reserve activation order (EO 13912 under 10 U.S.C. § 12302 / Ch. 1209), EO 13919 (Western Hemisphere counternarcotics), and EO 13963 (Dec 10, 2020 DoD order of succession) as the troop-mobilization backbone of Devolution.	Military Occupancy 2016.pdf (lines 98–265) & The Whys.pdf (lines 675–704, 911–1037): 'President Trump specifically Federalized 1,000,000 National Guard for no more than 365 Consecutive days… in Executive Order 13912 (March 27, 2020) and 10 US Code Ch. 1209… Keyword: Consecutive… And 10 US Code 1209 and 12406 to Federalize the National Guard to Active Duty EXTENDING his powers as President… CIC Trump made MULTIPLE Optic drops and Comms in comparison to WWII, Pearl Harbor and FDR… Franklin D. Roosevelt used Wartime Powers as President… First War Powers Act… December 8, 1941… Why did CIC Trump sign Executive Order 13919?… Enhanced Department of Defense Counternarcotic Operation in the Western Hemisphere… And why in Executive Order 13963, did CIC Trump change the Order of Succession in the Department of Defense?'	Alvear Film (Act 5 & Act 6 — 'Wartime Powers & Military Occupancy'): Cites EO 13912, EO 13919, 10 U.S.C. § 1209, and 10 U.S.C. § 12406 in the film and Rumble links, claiming Trump federalized 1,000,000 Guardsmen and invoked FDR's Dec 8, 1941 Pearl Harbor speech and First War Powers Act after calling COVID 'worse than Pearl Harbor' on May 6, 2020. • The Ghost Rebuttal (Review #1, Feb 24, 2023, lines 20–26, 56–66): Explains Title 10 vs. Title 32 and proves EO 13912 merely delegated COVID-19 Ready Reserve medical/logistical mobilization authority (10 U.S.C. § 12302) to the Service Secretaries so the federal government could cover pay for states hit by the pandemic.

Pillar 7 (Act 7): **Space Force 'One Command' (Aug/Dec 2022 SATCOM Transfer), MARS Radio System & Biden Inauguration 'Optics' (11:47 AM, BDUs, 47 U.S.C. § 606)**	Devolution Part 7 ('Space Force') & Part 9: Herold argued that Trump created the U.S. Space Force (Dec 20, 2019) to consolidate military cyber/intelligence command (citing Gen. Paul Nakasone's Nov 3, 2020 USCYBERCOM/NSA tweet) and pointed to Biden inauguration anomalies as proof of a 'fake' civilian administration.	Outline of the Blueprint.pdf (lines 629–652) & The Whys.pdf (lines 504–510, 618–660, 1038–1103, 1145–1174): 'The Space Force has never been uttered from "Biden's" mouth… The Army and the Navy transferred ALL COMMUNICATIONS to the Space Force in August and December 2022… Now pair that with the MARS system… Military Auxiliary Radio System = Emergency Communications = Emergency Broadcast System… 4 Star General Nakasone tweeted on November 3, 2020… CBS has the best pictures on January 20, 2021… A Marine wearing BDU's…? Marines haven't worn BDU's since 2005… National Guard when the "Biden Motorcade" rolled by had their backs turned to it… 47 United States Code 606 actually and literally titled "War Powers of the President"… "Biden" swore in at 11:47 AM EST on January 20th, 2021, breaking the 20th Amendment… Why has he not revoked Executive Order 13823 [Gitmo]?'	Alvear Film (Act 7 — 'The Fake Inauguration & The Space Force Command'): Reproduces Johnson's exact checklist: Biden didn't fly in on Air Force One, swore in at 11:47 AM ('violating the 20th Amendment'), Guardsmen turned their backs, a Marine wore BDUs, Capitol fences = 47 U.S.C. § 606 facility closure, EO 13823 kept Gitmo open (with GTMO842 flights), and the Army/Navy transferred 'ALL communications' to Space Force + MARS. • The Ghost Rebuttal (Review #3, Mar 18, 2023, lines 16–23): Cites CSO Gen. Jay Raymond's Sept 21, 2021 announcement showing that 11 Army and 4 Navy satellite communications (SATCOM) units were realigned into USSF under the FY2022 NDAA budget to eliminate duplication—not to seize domestic broadcasting.
Pillar 8 (Act 8): **Trump's Nov 15, 2022 Mar-a-Lago Speech 'Comms' ('The Pause' / SEC PAUSE, Angela Merkel 'White Flag' Law of War Manual Ch. 12.4, 'Surface of Mars', 'Quick Trials')**	Devolution Part 25 & Post-Nov 2022 Commentary: After Trump announced his 2024 presidential campaign on Nov 15, 2022—which falsified the claim that Trump would return before 2024 without an election—Devolution influencers pivoted to decoding his speech as 'secret wartime comms.'	Outline of the Blueprint.pdf (lines 653–694) & Military Occupancy 2016.pdf (lines 288–318, 408–529): 'November 15, 2022, speech by DJT full of Comms and Codes: The Pause. "We're going what I call the pause." Pause = Public Alert; Unregistered Soliciting Entities [SEC.gov link]… "I gave Angela Merkel white flag of surrender." = Law of War Manual Chapter 12.4. If he's civilian and former President… when did she take the Nord Stream 2 deal? July 2021 = gave her White Flag of Surrender = July 2021. "Nancy Pelosi has been fired; she's on her way to another country right now." = Gitmo = Military Tribunals… "I asked President Xi what they do for Drug Problems?" = Quick Trial = Trial in the morning, Execution by end of day = Military Tribunal… "Pretty soon we're going to put our beautiful Flag on the surface of Mars."	Alvear Film (Act 8 — 'The Comms, Tribunals & The Storm of Fire'): Closes the film by playing clips of Trump's Nov 15, 2022 Mar-a-Lago 2024 announcement speech and superimposing Derek Johnson's exact 6-point 'decoder ring' (SEC PAUSE, Law of War Manual 12.4 White Flag to Merkel, Pelosi -> Gitmo, Xi 'Quick Trials' -> Military Tribunals, 'Surface of Mars' -> MARS/EBS) before pitching mid-2023 Gitmo tribunals (citing the Dec 29, 2021 NYT article linked at line 579 of Military Occupancy 2016.pdf).

		= Military Auxiliary Radio System = Emergency Broadcast System.'

4. Conclusion: The Anatomy of a Recycled Grift

The OneDrive Blueprint archive closes the circle completely. Every statutory citation, URL fragment, and 'military optic' in Nick Alvear's September 2023 film The Greatest Show on Earth was lifted directly from Derek Johnson's December 2022–February 2023 PDFs (Outline of the Blueprint, Military Occupancy 2016, and The 'Why's' in 2022 and 2023)—which Johnson himself had recycled without credit from Jon Herold's 2021–2022 Devolution series. Furthermore, The Ghost's contemporary February–March 2023 Blueprint Review series (#1, #2, #2.1, and #3) had already dismantled every single statutory claim in Johnson's PDFs six months before Alvear ever packaged them into a movie.
